WELCOME
HEP has worked in the correctional setting since 2001.
Launched by Hepatitis Education Project in 2013

What we do:

- Connect colleagues
- Foster collaboration
- Share new and valuable resources and best practices
- Professional development
- Advocacy
- www.hcvininprison.org
HIGHLIGHTS FROM 2014
Network Goal for this Year:

Continue to create forums and space for conversation, learning, and collaboration among peers working on hepatitis C in corrections.
How?

- Growing network of experts
- www.hcvinprison.org

- Annual meeting, webinars, conference calls, e-newsletter, google group, networking
Resources

- An Overview of Hepatitis C in Prisons and Jails
- Research
- Online Training
- Upcoming Conferences, Trainings, and Professional Development
- Resources for Health Educators
- Patient Rights

If you have further questions, please email rich@hepeducation.org.
